## AMA Accepted Designated Contest Directors for Turbine Sign-Off

(revised August 20, 2007 – contact listing updated October 8, 2008)

### Please note:

Any current AMA waiver holder who also holds a Contest Director status is able to sign the “Current turbine waiver holder with CD status” section for the fixed wing application.

Rotary wing applications still require at least one designated CD signature.

The individuals on this listing will be able to sign off on fixed and rotary wing turbine waiver applications. They are volunteers and we ask you to use your best judgment and courtesy when contacting them to arrange a mutual meeting time.

You can review the list for any updates by accessing it on our website at [www.modelaircraft.org](http://www.modelaircraft.org). Select Membership Services and choose AMA Documents on the drop-down menu.
